

Humanity is in crisis.

In flagrant violation of the most fundamental of all human rights, "the right to life, liberty and the security of person" (Article 3, Universal Declaration of Human Rights), the world is witnessing the massacre of more than 10,000 innocent civilians, women and children.

The Communications Workers Union Victoria :

1. Condemns the violence, the destruction of properties and taking of innocent lives,
2. Calls for an immediate ceasefire by all sides in the Israeli-Palestinian conflict,
3. Calls for the immediate restoration of life supporting necessities and humanitarian aids to all afflicted,
4. Calls for a United Nations-led diplomatic settlement of the Israeli-Palestinian conflict in accordance with and respect for international laws,
5. Calls for immediate end to aiding and abetting bloodshed by supplying lethal weapons for use in the conflict.

The CWUVIC is on the side of life, dignity, liberty, justice and prosperity for all humanity.

It's only the right thing to do but also a moral obligation to all of humanity for the CWUVIC to do everything it can to protect children from harm and help stop the loss of innocent lives.

"War may sometimes be a necessary evil. But no matter how necessary, it is an evil. We will not learn how to live together by killing each other's children."

Jimmy Carter, 39th President of US (1977-81) "Just Peace: A Message of Hope"
